

Name: _____

RULES:

Who Plays: for teens 12-18 (must be age at the start of the program on June 19).

What to do: read anything with pages to fill each line and box on the gameboard (books, magazines, comics, etc). When you complete a box, you earn a prize and specific number of raffle chances. Just write the title and the number of pages you read on each line in each box on the gameboard. The number of pages on each line will be added to fill in the TOTAL PAGES for that box. Boxes must be completed in the order shown below:

Genre Bonus—Optional: Earn an extra raffle chance each time you read or listen to a specific type of book or item shown on certain lines in each box.

Events: attend any teen program this summer and get bonus raffle entries just for showing up! Make sure you get your “wave” stamped at the registration table that day for it to count!

Finishing the Gameboard: when you have completed all five reading boxes, you may start another gameboard. No prizes will be earned after the first gameboard, only raffle chances. You can complete as many gameboards as you want.

Raffles: raffles will be held each week from June 19 -August 3. All raffle chances you earn during that week will go towards that week’s drawing. So the more weeks you read and attend programs, the better your chances of winning! Prizes include books, restaurant gift certificates, and more. Large raffle items (such as Visa Giftcards, Movie Passes, etc.) will be drawn from all entries at the **Water World Party on August 3 @ 2 pm.** Winners will be called.

Logistics: you must bring your gameboard to report what you’ve read and to play the game. Bring it to the library during any of our open hours or to the **Teen Program on Tuesdays at 3-4 pm!**

Page Bonus—Optional: If you read more TOTAL PAGES for a box than shown in the PAGE BONUS column, you get to roll a six-sided die to win extra raffle chances!

Box/Title:	# of spaces	Raffle chances earned	Page Bonus	Prize
